ELIOT, Maine — Democrat Roberta Beavers will presumably begin her second straight campaign to unseat incumbent Republican Sally Lewin for the District 148 Maine House seat after both carried South Berwick Tuesday.

Both were running unopposed in the primary election.

In Eliot, Beavers received 368 votes and Lewin received 415. In South Berwick, Beavers earned 212 votes, while Lewin won 139 votes.

In 2006, Beavers, in her first bid for political office, lost to Lewin by just three percentage points. Lewin is seeking her fourth consecutive term.
